## Agenda Item #6

### MEMORANDUM

TO: Transportation Technical Coordinating Committee

FROM: Andy Rush

DATE: April 2, 2025

SUBJECT: FY 2026 Unified Planning Work Program (UPWP)

The Unified Planning Work Program (UPWP) identifies the transportation planning activities in the metropolitan area for the upcoming fiscal year. It is required to include an in-depth description of the activities, the cost to perform these activities, as well as the sources of funding to be utilized to perform the activities.

The UPWP must be submitted each year to KIPDA's State and Federal transportation planning partners by the end of April. A draft version of the FY 2026 version of the document was submitted to the planning partners in February after TPC approval on February 20<sup>th</sup>. Comments have been received from multiple agencies and edits have been made based on those comments.

Due to the length of the document, it has not been included in the meeting packet. The UPWP is available for review on KIPDA's website at: <https://www.kipda.org/transportation/>

The Final FY 2026 UPWP will be presented to the committee for their approval.

**Action is requested.**

## Agenda Item #7

### MEMORANDUM

TO: Transportation Technical Coordinating Committee

FROM: Andy Rush & Spencer Williams

DATE: April 2, 2025

SUBJECT: KYTC SHIFT 2026 Process

The Kentucky Transportation Cabinet recently kicked off the 2026 iteration of their Strategic Highway Investment Formula for Tomorrow (SHIFT) Process. This data-driven project prioritization process occurs every two years and will culminate later this year with the development of KYTC's Draft Recommended Highway Plan in advance of the 2026 Session of the Kentucky General Assembly. MPOs have two primary responsibilities in SHIFT: 1) Sponsoring projects, and 2) Boosting projects.

Project sponsorships are allocated statewide amongst the KYTC District Offices, the MPOs, and ADDs. The KIPDA MPO has been allocated up to 49 project sponsorships. A project in our region must be sponsored by KYTC or by KIPDA for it to be considered for scoring in the SHIFT Process. The 49 MPO sponsorships will be in addition to the 60-70 projects that KYTC District 5 can sponsor across their 8-county district. As has been past precedent, MPO sponsorships will be limited to projects that are in the MTP.

Project sponsorships are due to KYTC by the end of April.
